MOST POPULAR

Where most of our *students start.*

BACHELOR'S

Executive Bachelor's

Turn your work experience into a full UK honours degree in about a year, combining a regulated UK diploma with a final-year top-up from a UK university. Built for busy professionals who want the credentials to back up the experience they already have.

- Level 3 qualification or equivalent
- Aged 21 or over
- At least 2 years' work experience

LEVEL 7 · MASTER'S LEVEL

Level 7 Diploma

A master's-level UK qualification focused on strategy, leadership and change, designed for people already managing teams or ready to. It also counts towards an MBA, so you can top up to a full master's with just a final dissertation stage.

- Honours degree in a related subject, UK Level 6 diploma or overseas equivalent
- Mature learners with management experience considered
- Aged 21 or over

MASTER'S

MBA

A UK university MBA that builds the people, marketing and finance skills senior leaders need, with specialist pathways in Project Management, Healthcare, Digital Marketing and Human Resources. Choose the route that matches where you want your career to go.

- UK bachelor's degree at 2:2 or above, or international equivalent
- Or professional qualifications plus 2 years' relevant work experience

MASTER'S

MSc Project Management

Master both traditional and agile project management and lead digital transformation in your organisation. A practical master's for people who deliver projects and want to step up to programme and portfolio roles.

- UK honours degree at 2:2 or equivalent
- Or five years' experience managing people or projects
- Evidence of previous study in English (Medium of Instruction letter accepted)

QUESTIONS WE HEAR MOST

Can I study while I keep working?

Yes. Many programmes are online, flexible or delivered in the UAE, so you can keep your job.

Are the qualifications recognised?

They are UK university awards or Ofqual-regulated UK qualifications. We explain recognition for your country and profession before you apply.

I don't have a degree. Can I still apply?

Often, yes. The Executive Bachelor's accepts work experience, and some master's routes accept senior experience in place of a degree.

Do you charge students?

Your first consultation is free. We explain any fees clearly before you commit.
